

## Bringing **The Story** Home- Ch. 3- Week of October 2<sup>nd</sup>

### **Joseph: From Slave to Deputy Pharaoh**

*Bringing The Story Home is a tool for you to use with your family to connect with the weekly lessons taught in "The Story" curriculum. Feel free to use these activities in a way that fits your family life. Do what works with the time you have each week.*

**Timeless Truth:** In a world filled with sin, God's plan of salvation continues.

**Bible Basis:** Genesis 37-44:11

**Key Verse:** *Joseph said to them, "Don't be afraid...You planned to harm me. But God planned it for good."* Genesis 50:19-20 NIV

**Parent Tips:** Read and discuss the key point from the Sunday school class your child or children attended. Use the Table Talk question to start a discussion around the dinner table or at some point this week. The Living Faith activity is designed to help your family discuss the pitfalls of favoritism. The Extra Mile idea will get your family into your neighborhood as you meet the needs of those in your community.

**Get The Point:** God worked things out for Joseph's good. God does the same for us.

### **Table Talk:**

- **Can anyone remember a weird or funny dream you've recently had?**
- **Do you think that dream has any chance of coming true? Would you like it to come true?**
- **What do you think is the difference between your dreams and Joseph's dreams?**
- **What are your hopes and dreams for your life?** (Let children share and then tell them some of your hopes; that they will always follow God; that you'll always have a strong relationship and love them; that they'll use their talents to serve God.)
- **Has anybody ever told lies about you and gotten you into trouble, like Potiphar's wife did to Joseph?**
- **What did it feel like? Did you do anything to get even?**
- **Has anybody ever made promises to you and then not followed through, like the drink tester did to Joseph? How did that make you feel?**
- **What can you learn from Joseph about patience and continuing to believe in God's plan during difficult times?**
- **Read the fourth petition of the Lord's Prayer and its meaning from Luther's Small Catechism and talk about what it means that God provides our daily bread.**
  - (You can find the text of the Small Catechism on pages 321-330 of the Lutheran Service Book or online at: <http://bookofconcord.org/smallcatechism.php>)

**Living Faith:** Instruct each family member to bring his or her favorite possession to the living room. It must be only one thing, such as a toy, golf club, stuffed animal, photo, Wii gaming system, or car (of course, this would require a trip outside). Once everybody has chosen something, start with the youngest family member and have her explain why that item is her favorite. Continue around the room until each person gets to share about his possession.

After everybody is finished, explain that it's natural to have a favorite thing. Some items just fit your personality and specific tastes better than others. Some things have more sentimental value and mean more to you. But when it comes to families, favoritism can cause some problems. Ask:

- **How did it make Joseph's brothers feel that Jacob "loved Joseph more than any of his other sons"? (Genesis 37:3)**
- **Were Joseph's brothers justified in selling him into slavery?**
- **Who was more at fault—Jacob or Joseph's brothers—for what happened to Joseph?**
- **If Jacob would've acted differently, do you think Joseph's life would've been different?**
- **Have you ever been in a group or team where somebody else was the favorite?**
- **Have you ever been treated as the favorite? How did that make you feel?**

If there has been any favoritism shown (or felt) in your family, take time to discuss the issue and apologize to the child who felt slighted. At the end, pray for God to give your family the wisdom and ability to love each other fully and unconditionally without showing favoritism.

**Extra Mile:** God gave Joseph wisdom to prepare for the coming famine. Through God's provision, people were saved when there was no food. Think of a way your family can gather some nonperishable food for a community or church food bank. You could choose to go door-to-door in your neighborhood to collect food. If you choose to do this, have your children explain to the neighbors exactly where the food will go and who it will benefit. Make sure to visit houses of people you don't know. Bring a wagon or shopping bags to collect food donations. After you deliver the items to the food bank, write a thank-you note to the neighbors that contributed and revisit those homes to let them know the results of your family food drive.

**Prayer Time:** *Dear God, thank you for remembering us even when we sin. Thank you for meeting all of our needs and especially for forgiving us when we need it. Help us share the wonderful news of Jesus with others. Amen!*
